Statement of Purpose

Masterworks Choral Ensemble (MCE) believes in giving back to the community that supports us. We believe in using the power of music to give “voice” and support to local organizations that contribute to the betterment of our community. That’s why we have the “Music Makes a Difference” program as well as the annual Salute to the Arts and our educational program like the Youth Music Talent Contest.

Over the years, Masterworks has supported many local groups such as St. Peter’s Hospital, Habitat for Humanity, Sing for the Cure (*Susan G. Komen Foundation*), Salvation Army, POSSCA, to name a few. Starting with the 2008-2009 season, Masterworks began spotlighting four local organizations that play a vital role in the life of our community.

Seeking Nominations

Masterworks is now accepting nominations of local non-profits for our SPOTLIGHT program that honors organizations that have made a significant contribution to our community. Through the SPOTLIGHT program, MCE strives to increase each group’s visibility and enable them to receive donations at each of our concerts. For these organizations and the people they serve, music will make a difference.
